THE FRED JARRETT B.N.A. COLLECTION

Our October sale of the Jarrett pence material was well attended with a strong professional floor. The buying was largely professional with keen competition from the London, England, New York, Minneapolis and New Orleans dealers. There was exceptional competition on several of the choice covers and multiples. The very fine Christie Clark's small cents brought excellent prices as did the dollar value Jubilees and later plate blocks. The Newfoundland brought strong bidding with some of the 20th century material approaching 1946 peaks.

The current sale is an interesting one. Mr. Jarrett's 1859's include many unusual cancellations and covers with particular strength in the 5¢ and 10¢. The two later sessions include the property of many owners, notably an unusual collection of 1897 Jubilees the property of John Kennedy also a good lot of War Issue plate blocks. The sale closes with a collection of British West Indies.

October 26, 1959. J. N. SISSONS.
